Bursa Bull Charge 2017

Bumi Armada's (BA) teams once again did an amazing job this year at the Bursa Bull Charge charity race. The charity run, which took place on the 14th September 2017, entailed running 5km through the financial district of the city. BA was represented by 2 teams, consisting of Akmal Che Mat, Ahmad Aezat Asnan, Muhammad Ali, Thomas Manayathara, Bonnie Liew, Anne Yulita Binti Mohd , Harsukhvir Singh Godrei and Nor Azli Yazid.

Both teams gave a strong performance in the corporate team category of the Corporate Run. It was indeed a wonderful and positive experience whereby everyone was excited and energized for the charity run! Participation in the Bursa Bull Charge was an initiative taken by BA's sustainability committee to promote a healthy lifestyle among it's employees.
